Thanks. Is this just for the removal TDD?

We haven't been putting big chunks of hours on TDDs because of our excess hours issue, so I'm only going to put 300 on for now. When you need more, let me know and I'll amend it again. Sorry for the inconvenience. Let me know if you have questions. Thanks!

Shawna

Eric,

RST 3 would like to request a TDD amendment for the Niagara Falls Boulevard Radiological Site, TDD#: TO-0007-0014. As of March 22, 2017, RST 3 has utilized 2,132 hours of the 2,150 hours budgeted for the project, with a balance of 18 hours remaining.

This request for additional 850 hours would enable RST 3 continue providing field support for the ongoing Removal Action, prepare post-removal deliverables, including analytical data tables, data validation reports, sampling maps, and technical reports.

Please let Shawna Hoppe know if you concur with this request.

Thank you.
